I would like to point out that this webcomic is not meant to provide any kind of technical or philosophical insight. Please feel free to share your thoughts in the comment section, but I ask that you do not put anything political in the comment. I am using this space to share the root causes of societal problems and provide the solution to these issues, and this webcomic is simply a vehicle to share this message. Once I finish my research I will release some informational notes I've written on the subject and the social problems that lead to these societal problems. I hope to be done with my research this summer and I will keep you updated.The day I was born you walked into the room looking for a place to hide, and I gave you a place to hide. A long time ago you learned to believe only in power. Now you're supposed to believe in power. I suppose you thought that losing everything — especially all of the people you loved — would make you stronger. And it does, because I'm stronger than you. I've
