"With 'HyperMotion Technology,' FIFA and EA SPORTS are adding a whole new dimension to football action that showcases every player's true potential. This is the most immersive football experience of all time," said Jesse Martin, EVP Global Brand at EA SPORTS. "Fans can truly feel the emotion of the action, seeing every touch, tackle, jump, header and dribble." "No other football game has captured the raw emotion of football like the FIFA series and the 'HyperMotion Technology' system will take the experience to the next level," said Matt Bilbey, SVP, EA SPORTS. "We're so proud to be the first-ever football brand to bring this technology to the masses." As in past FIFA games, the deeper game and more immersive experience will be at the core of this next-generation soccer title. "This new technology will make players react to the ball more naturally and realistically, and EA SPORTS has once again brought the player's world to the ball." - Gary Barber, SVP Brand at Novica "The original FIFA game was built upon over 40 years of research and development. We now have a tool that can truly capture the raw emotion of the sport," said Sotiris Kyrkos, FIFA Brand Director. "We're so honored to give the world its first look at this ground-breaking system that will completely change how fans experience the real-world of football." "As a brand, we're really excited to help deliver the best FIFA ever with 'HyperMotion Technology' on the PlayStation 4," said Cristina Calacal, CEO, PlayStation Brand. "The promise of what we will be able to achieve with this new technology is absolutely unique and will give us the best chance to deliver the most accurate and immersive soccer experience ever in the market." FIFA is the number one global sports brand, having sold over 110 million copies worldwide and more than 50 million FIFA-branded products. It's EA's flagship sports franchise and has been a permanent fixture on the North American holiday party lists for over 20 years. FIFA represents a moment in time to many players, and will forever be a special part of the sports gamer's life. FIFA 16 is the biggest FIFA game in history, with over 2.5 million players worldwide. Look for FIFA 17 to build on that momentum in 2017, with an even bigger, better FIFA game. With more players, clubs and stadiums, new gameplay features and visuals, and exciting new game modes, FIFA 17 will be the biggest and best in the series. FIFA 18 is the breakout hit in the FIFA series. The ball is smarter, the crowds are louder and the gameplay is better than ever. FIFA 18 is the most authentic soccer game yet, with improved passing, ball physics and goal celebrations. FIFA 18 also introduces "Create a Club" and "Take a Shot" to provide more control over what players see when they navigate the on-field experience. FIFA 18 is the evolution of the franchise, and we expect this will be the year that gamers who have loved the FIFA series will have their biggest and best moments yet. The new FIFA franchise has evolved from our most popular franchises, and every season aims to make the ultimate soccer experience with all-new features, improved gameplay and more content. Whether you're at the family reunion, the holiday party, your kid's basketball game, the office pool, or just cruising around town, FIFA comes together for you, unites you as a group, and makes friends of strangers. FIFA has grown and changed over the years, and we've added more licensed clubs and venues and made improvements to stadiums, clubs, gameplay, and online. Our latest installment, FIFA 17, is our most authentic soccer game ever, and the best sports game on any platform. SEASON 13 With the release of FIFA 19 on September 27th, 2016, the FIFA franchise will celebrate its 13th season. To commemorate this historic occasion, we wanted to give FIFA the treatment it deserves. It's a chance to take the game that defined our sports gaming career to the next level and deliver the ultimate game experience. This year will be all about the business. By tapping into our in-depth soccer culture knowledge, we bc9d6d6daa

What's new in Fifa 22:

- **"FLIGHT POSITIONING"** - In the new "Flight Positioning" mode, you can use your EA SPORTS™ Skill Stick to make your players' movements look more natural and react more fluidly to their positioning on the pitch. Flight Positioning is optional in Career mode, but is non-optional in Ultimate Team.
- **"FIGHTS - COMBAT"** - New key game mechanics for nearly every part of the game, including FIFA 22's Predictive Trigger and Autonomic AI - designed to improve your gameplay and ensure better and more authentic FIFA football
- **"NEW IN JOURNEY MANAGER 2017"** - New, campaign content, player and staff overhauls and new deep match insights - all ready for FIFA 22.
- **Player Fantasy Draft Progression** - For one week players will get closer to reaching the final in FIFA 20's Player Fantasy League (PFL) through an overhauled progression system. Players' progression system returns to its original offline and online algorithm, bolstering your chances of winning PFL and winning such things as your player's player goal stats, hit points and rank. The system was designed to help players identify hidden leagues and create superior teams. If you're not in a league for that week, you may be moved out.
- **Player Draft** - Introduced as part of EA SPORTS FIFA Ultimate Team, allows players to share their Ultimate Team with up to three friends on the same PS3 system.
- **Faster Play** - Players will need to make moves quickly and accurately if they are to put away opponents and fend off corner kicks.
- **Portsmouth** - The updated host club, which awaits EA SPORTS FIFA 20 enthusiasts both in England. All brought to life with full-body 3D models, stadiums and the experience of touching the turf with your virtual feet.
